

Subject Line: HBA Announces the 2004 Star Volunteer

2004 HBA Star Volunteer Announcement

This past year has been a pivotal year for HBA. We established a national HBA Board of Directors, created a new chapter and three new affiliates, and grew membership significantly nationwide. HBA could not have done it without the hard work and commitment, for the past several years, of the true champions of this initiative, the leadership of the HBA Chapters and Affiliates.

HBA usually chooses one individual as the Star Volunteer, but this year to show our appreciation to the women who “made it happen,” we are proud to award this honor to the **Founding Presidents of the HBA Chapters and Affiliates**. They have dedicated their time, energy, passion and commitment to making the Healthcare Businesswomen’s Association a powerful national voice for the advancement of women in the healthcare industry and to bringing the HBA closer to our members.

Join us in honoring the HBA Founding Presidents:

Jan Hannon, Atlanta Chapter (2000)
Gayathri Koundinya, San Francisco Bay Area Chapter (2001)
Karla Gonye, Boston Chapter (2001)
Kimberly Farrell, Chicago Affiliate (2003)
Susan Torroella, Mid-Atlantic Affiliate (2003)
Teresa Pascarelli, Indiana Affiliate (2003)
Charlene Prounis, Metro Chapter (2004)

Congratulations to all the honorees and a sincere thank you for all your contributions!
